

# Tony Chestnut

Suitable for all ages

*Tony Chestnut knows I love him*

*Tony knows, Tony knows.*

*Tony Chestnut knows I love him*

*That's what Tony knows.*

## **Actions:**

Each of the words (or syllables) is replaced by an action:

TO = touch toes

NY = touch knees

CHEST = touch chest N

UT = tap head

KNOWS = point to NOSE

I = point to EYES

LOVE HIM = One hand on chest/other hand cross over and tap chest

THAT'S WHAT = point twice

## **BE CREATIVE:**

Can you think of other names that would fit instead of Tony Chestnut and what the actions may be? The names can be as silly as you want them to be and don't have to be connected to your body!

How about Isla Wigglefoot (Is = eye, la = point to mouth to show singing,

Wiggle = wiggle your whole body, foot = stamp foot Isla Wigglefoot knows I love her, Isla knows, Isla knows. Isla Wigglefoot knows I love her, that's what Isla knows.

## **CHALLENGE**

Miss out the words one by one and sing them in your thinking voice. You should still perform the actions though. Eventually sing the whole song in thinking voice except for the words "that's what".
